Break-down of Power Supply in Traus-Jamuna Area

1009. SHRI GAYA SINGH: Will the Minister of POWER be pleased to state:

(a) whether there is continuous breakdown of power-supply in Laxmi Nagar, Shakarpur area (Trans-Jamuna) Delhi-92, since June 15, 1993;

(b) whether in some cases people have expressed their anger in desperation by demonstration etc.;

(c) is so, the details thereof;

(d) whether DESU authorities are keeping silent and not attending the com plaints in these areas; and

(e) what are the reasons for power failure in the area and what steps are being taken to restore the power supply fully and prevent frequent disruption in power supply?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRI P. V. RANGAYYA NAIDU): (a) to (e) There have been some interruptions in power supply in Laxmi Nagar, Shakarpur (Trans Yamuna) during June-July, 1993. Some residents of the area are reported to have demonstrated at DESU offices to protest against power disruptions. Power breakdowns in this area occur mamly due to overloading of the system since a large number of commercial/industrial units have come up in the residential area. Every efforts is made by DESU to attend to the breakdown and to restore the power supply at the earliest. DESU is also taking steps within the available resources to augment and strengthen the power supply system in the area to mmimise the disruptions.

Loan for NTPC power project

1010. SHRI RAMDAS AGARWAL: Will the Minister of POWER be pleased to state:

(a) whether Government's attention has been drawn to a newsitem which appeared in the Hindustan Times of 16th July, 1993 captioned "Funds for matching huge foreign loan stump NTPC";

(b) if so, the details thereof indicating the amount of loan in billion dollars in respect of each power project against which matching fund in required by NT.PC;

(0) whether it is a fact that in the absence of required matching fund, Government propose to throw open the doors to higher private sector for participation in India's power section;

(d) if so, which are the projects likely to be under private sector and those under the public sector separately and the total amount required by the Ministry of Power during 1993-97 in this regard indicating the manner in which such projects are proposed to be funded/implemented?

THE MINISTER OF STATE IN THE MINISTRY POWER (SHRI P. V. RANGAYYA NAIDU): (a) Yes, Sir.

(b) The World Bank has recently approved a loan of US $400 million to the National Thermal Power Corporation
